Please Note - All: Please use the above eMail list/s going forward. If any of you would like to eMail additional people - no problem, but please let me know their eMail, name/s & who they are to you. Such as: A friend of mine who is interested in our chapter &/or the national EAA or just has an interest in visiting our chapter. The more, the merrier, of course, but we need to know who they are & I need to keep track of our master list for everyone's sake. So, invite-away, just let me know who they are - please. Thanks
